

Very Important Meeting

Letter from the President

By Jeff Shimamoto

RBA President

Our next meeting is the last meeting of the year and will be held on Thursday, November 29, 2001 from 7:00 p.m. until 9:00 p.m. at Century Court in Roppongi. This meeting will be for **members only** and there will be no speaker. And though the meeting is not mandatory I hope that each and every member of the RBA will attend this very important meeting.

At the November Meeting, we will discuss several issues regarding the future of the RBA including our association rules, leadership, financial status and membership responsibilities. In my two years as President of RBA, I believe that I have not made any unreasonable requests to any of the regular members or executive board members. Just this one time, I hope you will feel the same urgency that I feel in hoping that you will attend the November Meeting.

For those of you who were able to attend the October Party, it was a great success and we thank you for your participation. Over 40 people gathered at Jazz Café London in Roppongi to eat, drink and network with Tokyo's finest legal professionals.

We look forward to seeing you on November 29th. Thank you again for supporting the RBA. ♦

Host an American Internship/Field Placement

The Tokyo Center of The Institute for the International Education of Students (IES) is seeking organizations to host student internships/field placements. A U.S. based non-profit, IES facilitates study abroad opportunities for American undergraduate students to study in Japan for usually one academic semester. IES Tokyo students study Japanese language, take regular university classes and live with Japanese families. As part of the Center's seminar course on Social Organization of Japan, IES arranges for all students to have a placement in a Japanese organization for a minimum of one full workday each week of the semester.

The placement is unpaid and the host organization will have a chance to interview the student before the start of the program. Introductions are made based on the organization's request for a student with a particular background, skills and proficiency in Japanese. While placements are made in various fields, many IES Tokyo students are interested in international business, including finance and investment, marketing, public relations, law and computer-related positions. For more information, please contact Anthony Ogden, Center Director, Tel. 043-211-8678, Fax. 043-211-8677, or email iestokyo@injapan.net. [<http://www.iesabroad.org/tokyo/tokyo.html>]
