Warming Up

A Letter from the President

By Jeff Shimamoto

RBA President

On Thursday, April 25th, the RBA, the premier International Legal Network in Tokyo, held its April 2002 Party at Jazz Café London in Roppongi. There was a serious lack of Jazz, but no lack of energy and excitement. Over 40 members and friends gathered at this well known Roppongi drinking establishment to network with fellow members of the legal community.

You may have noticed that the weather has warmed up fairly quickly this year. Well, this warming trend does not start and will not end with the weather. Every card-carrying member of the RBA will be offered discounts at certain bars and restaurants around Tokyo. I guess you can say that these establishments have warmed up to the RBA and will help keep us cool during the hot summer months. Let your friends and colleagues know of the RBA members' benefits so that they don't get left out.

Century Court, our bi-monthly meeting place has also warmed up significantly to the RBA. The RBA and Century Court will be teaming up this summer to bring you many exciting events. We are in the planning stages of a microbrew party and a charity

event. Keep your eyes out for future editions of the newsletter informing you of the dates and times of these events.

Our next meeting will be Thursday, May 30th from 7:00 p.m. to 9:00 p.m. at Century Court in Roppongi. Our featured speaker will be Steve Givens of Kitamura and Givens Law Offices. The topic for Steve's speech has yet to be determined as of the time of distribution of this newsletter, but not to worry as Steve has been both entertaining and controversial in the past and we don't expect anything less this year as well.

I would like to once again say to the membership of the RBA and those who are reading this newsletter it is with your support that we are able to continue to be the premier legal networking organization in Japan.

I hope to see all of you at our next meeting and thank you for always supporting the RBA.
